

**AMENDMENT TO H.R. 4889**

**OFFERED BY MRS. JOHNSON OF CONNECTICUT**

Strike all after the enacting clause and insert the following:

1     **SECTION 1. SHORT TITLE; TABLE OF CONTENTS.**

(a) **SHORT TITLE.**—This Act may be cited as the “Patient Safety Improvement Act of 2002”.

(b) TABLE OF CONTENTS.—The table of contents of this Act is as follows:

Sec. 1. Short title; table of contents.

## Sec. 2. Patient safety improvements.

## “PART D—PATIENT SAFETY IMPROVEMENTS

“Sec. 1181. Voluntary reporting of patient safety data; definitions.

“Sec. 1182. Confidentiality and peer review protections.

“Sec. 1183. Center for Quality Improvement and Patient Safety.

“Sec. 1184. Interoperability standards for health care information technology systems.

“Sec. 1185. Voluntary adoption of methods to improve patient safety.

“Sec. 1186. Evaluation and report.

### Sec. 3. Medical Information Technology Advisory Board.

6     **SEC. 2. PATIENT SAFETY IMPROVEMENTS.**

(a) IN GENERAL.—Title XI of the Social Security Act is amended by adding at the end the following new part:

## “PART D—PATIENT SAFETY IMPROVEMENTS

10 “VOLUNTARY REPORTING OF PATIENT SAFETY DATA:

## DEFINITIONS

“SEC. 1181. (a) COLLECTION AND VOLUNTARY REPORT-  
ING OF PATIENT SAFETY DATA.—In order to improve patient  
safety and the quality of health care delivery, a health care pro-  
vider (as defined in subsection (d)) may voluntarily collect and  
develop patient safety data (as defined in subsection (e)) and  
report such data to one or more patient safety organizations  
(as defined in subsection (f)) in a manner that is confidential  
and privileged (as described in section 1182).

“(b) USE OF PATIENT SAFETY DATA BY PATIENT SAFETY ORGANIZATIONS.—Patient safety organizations shall analyze the patient safety data reported and develop (and report

1 back to health care providers) information to improve patient  
2 safety and the quality of health care delivery and shall submit  
3 non-identifiable information derived from such data in a uni-  
4 form manner to the Center for Quality Improvement and Pa-  
5 tient Safety (for inclusion in the Patient Safety Database, if  
6 applicable). Such non-identifiable information may be disclosed  
7 and shared with other patient safety organizations. Identifiable  
8 patient safety data may be disclosed to other patient safety or-  
9 ganizations with the explicit authorization of the reporting pro-  
10 vider involved.

11 “(c) FUNCTIONS OF CENTER.—The Center for Quality  
12 Improvement and Patient Safety conducts patient safety activi-  
13 ties consistent with section 1183.

14 “(d) HEALTH CARE PROVIDERS COVERED.—For purposes  
15 of this part, the term ‘health care provider’ means—

16 “(1) a provider of services (as defined in section  
17 1861(u) and including a hospital, skilled nursing facility,  
18 home health agency, and hospice program) that provides  
19 services for which payment may be made under part A of  
20 title XVIII and the provider’s employees;

21 “(2) a health care entity or individual that furnishes  
22 medical or other health services (as defined in section  
23 1861(s)), other services described in section 1832(a)(2), or  
24 other items and services for which payment may be made  
25 under such title, including a physician (as defined in sec-  
26 tion 1861(r)); and

27 “(3) an organization offering a plan under part C of  
28 title XVIII.

29 “(e) PATIENT SAFETY DATA COVERED.—

30 “(1) IN GENERAL.—For purposes of this part, the  
31 term ‘patient safety data’ means any data, reports, records,  
32 memoranda, analyses, deliberative work, statements, or  
33 root cause analyses that are collected or developed to im-  
34 prove patient safety or health care quality and that—

35 “(A) are collected or developed by a health care  
36 provider for the purpose of reporting to a patient safety

1 organization and that are reported on a timely basis to  
2 such an organization;

3 “(B) are collected or developed by a patient safety  
4 organization or by the Center for Quality Improvement  
5 and Patient Safety, regardless of whether the data are  
6 transmitted to the health care provider that reported  
7 the original data; or

8 “(C) describes corrective actions taken by a health  
9 care provider in response to the provider’s reporting of  
10 data to that organization, regardless of whether the or-  
11 ganization has transmitted under subsection (f)(2) in-  
12 formation to the health care provider that reported the  
13 original data.

14 “(2) CONSTRUCTION REGARDING USE OF DATA.—

15 “(A) INTERNAL USE PERMITTED TO IMPROVE PA-  
16 TIENT SAFETY, QUALITY, AND EFFICIENCY.—Nothing  
17 in this part shall be construed to limit or discourage a  
18 health care provider from developing and using patient  
19 safety data within the provider to improve patient safe-  
20 ty, health care quality, or administrative efficiency of  
21 the provider.

22 “(B) TREATMENT.—Information that is collected  
23 or developed as patient safety data is not disqualified  
24 from being treated as patient safety data because of its  
25 development or use for the purposes described in sub-  
26 paragraph (A) and such development or use shall not  
27 constitute a waiver of any privilege or protection estab-  
28 lished under section 1182 or under State law.

29 “(f) QUALIFICATIONS OF PATIENT SAFETY ORGANIZA-  
30 TIONS.—

31 “(1) IN GENERAL.—For purposes of this part, the  
32 term ‘patient safety organization’ means a private or public  
33 organization that conducts activities to improve patient  
34 safety and the quality of health care delivery by assisting  
35 health care providers that report to such organizations and  
36 that has been certified by the Secretary as—

1 “(A) performing each of the activities described in  
2 paragraph (2); and

3 “(B) meets the other requirements of paragraphs  
4 (3) through (5).

5 “(2) ACTIVITIES DESCRIBED.—The activities referred  
6 to in paragraph (1)(A) are the following:

7 “(A) The collection and analysis of patient safety  
8 data that are voluntarily reported by more than one  
9 health care provider on a local, regional, State, or na-  
10 tional basis.

11 “(B) The development and dissemination of infor-  
12 mation to health care providers and other patient safe-  
13 ty organizations with respect to improving patient safe-  
14 ty, such as recommendations, protocols, or information  
15 regarding best practices.

16 “(C) The utilization of patient safety data to carry  
17 out activities under this paragraph to improve patient  
18 safety and to provide assistance to health care pro-  
19 viders to minimize patient risk.

20 “(3) CONDUCT OF ACTIVITIES.—In conducting activi-  
21 ties under paragraph (2), a patient safety organization  
22 shall—

23 “(A) maintain confidentiality with respect to indi-  
24 vidualy identifiable health information;

25 “(B) submit non-identifiable information to the  
26 Center for Quality Improvement and Patient Safety in  
27 a format established by the Secretary; and

28 “(C) maintain appropriate security measures with  
29 respect to patient safety data.

30 “(4) ORGANIZATION REQUIREMENTS.—The require-  
31 ments of this paragraph for an organization are that—

32 “(A) the organization is managed, controlled, and  
33 operated independently from health care providers  
34 which report patient safety data to it under this part;

35 “(B) if the organization no longer qualifies as a  
36 patient safety organization, with respect to any patient

1 safety data that it received from a health care provider,  
2 the organization shall do one of the following:

3 “(i) with the approval of the provider and an-  
4 other patient safety organization, transfer such  
5 data to such other organization;

6 “(ii) if practicable, return the data to the pro-  
7 vider; or

8 “(iii) destroy the patient safety data;

9 “(C) if the organization charges a fee for the ac-  
10 tivities it performs with respect to health care pro-  
11 viders, the fee shall be uniform among all classes or  
12 types of health care providers (taking into account the  
13 size of the health care provider);

14 “(D) the organization seeks to collect data from  
15 health care providers in a standardized manner that  
16 permits valid comparisons of similar cases among simi-  
17 lar health care providers; and

18 “(E) the organization meets such other require-  
19 ments as the Secretary may by regulation require.

20 “(5) LIMITATION ON USE OF PATIENT SAFETY DATA  
21 BY PATIENT SAFETY ORGANIZATIONS.—A patient safety or-  
22 ganization may not use patient safety data reported by a  
23 health care provider in accordance with this part to take  
24 regulatory or enforcement actions it otherwise performs (or  
25 is responsible for performing) in relation to such provider.

26 “(6) TECHNICAL ASSISTANCE.—The Secretary may  
27 provide technical assistance to patient safety organizations  
28 in providing recommendations and advice to health care  
29 providers reporting patient safety data under this part.  
30 Such assistance shall include advice with respect to meth-  
31 odology, communication, data collection, security, and con-  
32 fidentiality concerns.

33 “(g) CONSTRUCTION.—Nothing in this part shall be con-  
34 strued to limit or discourage the reporting of information relat-  
35 ing to patient safety within a health care provider.

1 “CONFIDENTIALITY AND PEER REVIEW PROTECTIONS

2 “SEC. 1182. (a) IN GENERAL.—Notwithstanding any  
3 other provision of law, patient safety data shall be privileged  
4 and confidential in accordance with this section.

5 “(b) SCOPE OF PRIVILEGE.—Subject to the succeeding  
6 provisions of this section, such data shall not be—

7 “(1) subject to a civil or administrative subpoena;

8 “(2) subject to discovery in connection with a civil or  
9 administrative proceeding;

10 “(3) disclosed pursuant to section 552 of title 5,  
11 United States Code (commonly known as the Freedom of  
12 Information Act) or any other similar Federal or State law;  
13 or

14 “(4) admitted as evidence or otherwise disclosed in  
15 any civil or administrative proceeding.

16 “(c) CLARIFICATION OF SCOPE.—The privilege established  
17 by this section with respect to patient safety data described in  
18 section 1181(e)(1)(A) shall apply to information, such as  
19 records of a patient’s medical diagnosis and treatment, other  
20 primary health care information, and other information, to the  
21 extent that such information was collected or developed for the  
22 purpose specified in such section and is reported in accordance  
23 with such section. Such privilege shall not apply to information  
24 merely by reason of its inclusion, or the fact of its submission,  
25 in a report under such section.

26 “(d) INFORMATION NOT SUBJECT TO PRIVILEGE.—The  
27 privilege established by this section shall not apply to one or  
28 more of the following:

29 “(1) MEDICAL RECORDS AND OTHER PRIMARY  
30 HEALTH RECORDS.—Records of a patient’s medical diag-  
31 nosis and treatment and other primary health records of a  
32 health care provider. Such privilege shall not apply to such  
33 information by reason of its inclusion within patient safety  
34 data.

35 “(2) FDA.—Relevant information disclosed by a  
36 health care provider or patient safety organization to the  
37 Food and Drug Administration, or to a person that is sub-

1       ject to the jurisdiction of such Administration, with respect  
2       to an Administration-regulated product or activity for  
3       which that entity has responsibility, for the purposes of ac-  
4       tivities related to quality, safety, or effectiveness of such  
5       Administration-regulated product or activity, subject to sec-  
6       tion 520(c) of the Federal Food, Drug, and Cosmetic Act.

7       “(3) NON-IDENTIFIABLE INFORMATION USED BY  
8       DATABASE.—Non-identifiable information from a patient  
9       safety organization to the Patient Safety Database and the  
10      further disclosure of such data by the Center for Quality  
11      Improvement and Patient Safety.

12      “(e) CONSTRUCTION RELATING TO STATE MANDATORY  
13      REPORTING REQUIREMENTS.—Nothing in this part shall be  
14      construed as preempting or otherwise affecting any State law  
15      mandatory reporting requirement for health care providers.

16      “(f) REPORTER PROTECTION.—

17      “(1) IN GENERAL.—A health care provider may not  
18      use against an individual in an adverse employment action  
19      described in paragraph (2) the fact that the individual re-  
20      ported, in good faith to the provider with the intention of  
21      having it reported to a patient safety organization or to a  
22      patient safety organization, information that would con-  
23      stitute patient safety data under section 1181(e)(1)(A) if  
24      the provider were to have submitted it on a timely basis to  
25      a patient safety organization in accordance with such sec-  
26      tion.

27      “(2) ADVERSE EMPLOYMENT ACTION.—For purposes  
28      of this subsection, an ‘adverse employment action’  
29      includes—

30          “(A) the failure to promote an individual or pro-  
31          vide any other employment-related benefit for which the  
32          individual would otherwise be eligible;

33          “(B) an evaluation or decision made in relation to  
34          accreditation, certification, credentialing or licensing of  
35          the individual; and

36          “(C) a personnel action that is adverse to the indi-  
37          vidual concerned.

1 “(g) PENALTY.—It is unlawful for any person to disclose  
2 any patient safety data in violation of the provisions of this sec-  
3 tion. Any person violating such provisions shall subject to the  
4 same sanctions under section 1160(c) (relating to, upon convic-  
5 tion, a fine of not more than \$1,000, imprisonment for not  
6 more than 6 months, or both, per disclosure and payment of  
7 the costs of prosecution) as a person who discloses any infor-  
8 mation described in section 1160(a).

9 “(h) NO LIMITATION OF OTHER PRIVILEGES.—Nothing in  
10 this section shall be construed to limit other privileges that are  
11 available under Federal or State laws that provide greater peer  
12 review or confidentiality protections than the peer review and  
13 confidentiality protections provided for in this section.

14 “(i) APPLICATION OF PRIVACY REGULATIONS.—For pur-  
15 poses of applying the regulations promulgated pursuant to sec-  
16 tion 264(c) of the Health Insurance Portability and Account-  
17 ability Act of 1996 (Public Law 104-191; 110 Stat. 2033)—

18 “(1) patient safety organizations shall be treated as  
19 business associates;

20 “(2) activities of such organizations described in sec-  
21 tion 1181(f)(2)(A) in relation to a health care provider are  
22 deemed to be health care operations of the provider; and

23 “(3) the disclosure of identifiable information by such  
24 an organization shall be treated as necessary for the proper  
25 management and administration of the organization.

26 Nothing in this section shall be construed to alter or affect the  
27 implementation of such regulation or such section 264(c).

28 “(j) NO WAIVER.—Disclosure of patient safety data under  
29 subsection (d)(2) shall not constitute a waiver of any privilege  
30 or protection established under this section or under State law.

31 “(k) CONTINUATION OF PRIVILEGE.—Patient safety data  
32 of an organization that is certified as a patient safety organiza-  
33 tion shall continue to be privileged and confidential, in accord-  
34 ance with this section, if the organization’s certification is ter-  
35 minated or revoked or if the organization otherwise ceases to  
36 qualify as a patient safety organization until the data are oth-  
37 erwise disposed of in accordance with section 1181(f)(4).

1 “(I) SURVEY AND REPORT.—

2 “(1) SURVEY.—The Comptroller General of the  
3 United States shall conduct a survey of State laws that re-  
4 late to patient safety data peer review systems, including  
5 laws that establish an evidentiary privilege applicable to  
6 data developed in such systems, and shall review the man-  
7 ner in which such laws have been interpreted by the courts  
8 and the effectiveness of such laws in promoting patient  
9 safety.

10 “(2) REPORT.—Not later than 9 months after the  
11 date of enactment of this section, the Comptroller General  
12 shall prepare and submit to Congress a report concerning  
13 the results of the survey conducted under paragraph (1).

14 “CENTER FOR QUALITY IMPROVEMENT AND PATIENT SAFETY

15 “SEC. 1183. (a) ESTABLISHMENT.—The Secretary, acting  
16 through the Director of the Agency for Healthcare Research  
17 and Quality, shall establish a center to be known as the Center  
18 for Quality Improvement and Patient Safety (in this section re-  
19 ferred to as the ‘Center’) in order to improve patient safety for  
20 items and services furnished through health care providers.

21 “(b) DUTIES.—

22 “(1) IN GENERAL.—The Secretary, through the Cen-  
23 ter, shall—

24 “(A) provide for the certification and recertifi-  
25 cation of patient safety organizations in accordance  
26 subsection (d);

27 “(B) collect and disseminate information related  
28 to patient safety;

29 “(C) establish a Patient Safety Database to col-  
30 lect, support, and coordinate the analysis of non-identi-  
31 fiable information submitted to the Database in accord-  
32 ance with subsection (e);

33 “(D) facilitate the development of consensus  
34 among health care providers, patients, and other inter-  
35 ested parties concerning patient safety and rec-  
36 ommendations to improve patient safety; and

1           “(E) provide technical assistance to States that  
2           have (or are developing) medical errors reporting sys-  
3           tems, assist States in developing standardized methods  
4           for data collection, and collect data from State report-  
5           ing systems for inclusion in the Patient Safety Data-  
6           base.

7           “(2) CONSULTATION.—In carrying out the duties  
8           under paragraph (1) (including the establishment of the  
9           Database), the Secretary shall consult with and develop  
10          partnerships, as appropriate, with health care organiza-  
11          tions, health care providers, public and private sector enti-  
12          ties, patient safety organizations, health care consumers,  
13          and other relevant experts to improve patient safety.

14          “(c) CERTIFICATION AND RECERTIFICATION PROCESS.—

15               “(1) IN GENERAL.—The initial certification and recer-  
16               tification of a patient safety organization under subsection  
17               (b)(1)(A) shall be made under a process that is approved  
18               by the Secretary and is consistent with criteria published  
19               by the Secretary.

20               “(2) REVOCATION.—Such a certification or recertifi-  
21               cation may be revoked by the Secretary upon a showing of  
22               cause (including the disclosure of data in violation of sec-  
23               tion 1182).

24               “(3) TERMINATION.—Such a certification provided for  
25               a patient safety organization shall terminate (subject to re-  
26               certification) on the earlier of—

27                       “(A) the date that is 3 years after the date on  
28                       which such certification was provided; or

29                       “(B) the date on which the Secretary revokes the  
30                       certification.

31          “(d) IMPLEMENTATION AND CONSULTATION.—In carrying  
32          out subsection (c)(1), the Secretary shall—

33               “(1) facilitate the development of patient safety goals  
34               and track the progress made in meeting those goals; and

35               “(2) ensure that data submitted by a patient safety  
36               organization to the Patient Safety Database, as provided  
37               for under subsection (e), are comparable and useful for re-

1 search and analysis and that the research findings and pa-  
2 tient safety alerts that result from such analyses are pre-  
3 sented in clear and consistent formats that enhance the  
4 usefulness of such alerts.

5 “(e) PATIENT SAFETY DATABASE.—

6 “(1) IN GENERAL.—The Secretary, acting through the  
7 Center, shall—

8 “(A) establish a Patient Safety Database to collect  
9 non-identifiable information concerning patient safety  
10 that is reported on a voluntary basis; and

11 “(B) establish common formats for the voluntary  
12 reporting of data under subparagraph (A), including  
13 the establishment of necessary data elements, common  
14 and consistent definitions, and a standardized com-  
15 puter interface for the processing of such data.

16 “(2) DATABASE.—In carrying out this subsection, the  
17 Secretary—

18 “(A) shall establish and modify as necessary cri-  
19 teria to determine the organizations that may volun-  
20 tarily contribute to, and the data that comprises, the  
21 Patient Safety Database;

22 “(B) shall ensure that the Patient Safety Data-  
23 base is only used by qualified entities or individuals as  
24 determined appropriate by the Secretary in accordance  
25 with criteria applied by the Secretary; and

26 “(C) may enter into contracts for the administra-  
27 tion of the Database with private and public entities  
28 with experience in the administration of similar data-  
29 bases.

30 “(3) NON-IDENTIFIABLE INFORMATION.—For pur-  
31 poses of this part, the term ‘non-identifiable information’  
32 means information that is presented in a form and manner  
33 that prevents the identification of any health care provider,  
34 patient, and the reporter of the information.

35 “(f) AUTHORIZATION OF APPROPRIATIONS.—There are  
36 authorized to be appropriated such sums as may be necessary  
37 for each fiscal year to carry out this section.

1 “INTEROPERABILITY STANDARDS FOR HEALTH CARE  
2 INFORMATION TECHNOLOGY SYSTEMS

3 “SEC. 1184. (a) IN GENERAL.—By not later than 2 years  
4 after the date of the enactment of this part, the Secretary shall  
5 develop or adopt (and shall periodically review and update) vol-  
6 untary, national standards that promote the interoperability of  
7 health care information technology systems across all health  
8 care settings.

9 “(b) CONSULTATION AND COORDINATION.—The Secretary  
10 shall develop and update such standards in consultation with  
11 (and with coordination between)—

12 “(1) the National Committee for Vital and Health  
13 Statistics, and

14 “(2) the Medical Information Technology Advisory  
15 Board (established under section 3 of the Patient Safety  
16 Improvement Act of 2002).

17 “(c) DISSEMINATION.—The Secretary shall provide for the  
18 dissemination of the standards developed and updated under  
19 this section.

20 “(d) AUTHORIZATION OF APPROPRIATIONS.—There are  
21 authorized to be appropriated such sums as may be necessary  
22 for each fiscal year to carry out this section.

23 “VOLUNTARY ADOPTION OF METHODS TO IMPROVE PATIENT  
24 SAFETY

25 “SEC. 1185. The Secretary shall encourage health care  
26 providers to adopt appropriate evidence-based methods to im-  
27 prove patient safety. Such methods shall not constitute national  
28 practice guidelines or conditions of participation under the  
29 medicare program under title XVIII.

30 “EVALUATION AND REPORT

31 “SEC. 1186. (a) EVALUATION.—The Comptroller General  
32 of the United States shall conduct a comprehensive evaluation  
33 of the implementation of this part. Such evaluation shall in-  
34 clude an examination of the following:

35 “(1) The health care providers that reported patient  
36 safety data under this part and the patient safety organiza-  
37 tions to which they reported the information.

1 “(2) What types of events were so reported on.

2 “(3) The usefulness of the analyses, information, and  
3 recommendations provided by patient safety organizations  
4 in response to such reported information.

5 “(4) The response of health care providers to such  
6 analyses, information, and recommendations.

7 “(5) The effectiveness of the program under this part  
8 in reducing medical errors.

9 “(b) REPORT.—Not later than 5 years after the date the  
10 provisions of this part are first implemented, the Comptroller  
11 General shall submit to Congress a report on the evaluation  
12 conducted under subsection (a).”.

13 **SEC. 3. MEDICAL INFORMATION TECHNOLOGY ADVI-**  
14 **SORY BOARD.**

15 (a) ESTABLISHMENT.—

16 (1) IN GENERAL.—Not later than 3 months after the  
17 date of the enactment of this Act, the Secretary of Health  
18 and Human Services (in this section referred to as the  
19 “Secretary”) shall appoint an advisory board to be known  
20 as the “Medical Information Technology Advisory Board”  
21 (in this section referred to as the “MITAB”).

22 (2) CHAIRMAN.—The Secretary shall designate one  
23 member as chairman. The chairman shall be an individual  
24 affiliated with an organization having expertise creating  
25 American National Standards Institute (ANSI) accepted  
26 standards in health care information technology and a  
27 member of the National Committee for Vital and Health  
28 Statistics.

29 (b) COMPOSITION.—

30 (1) IN GENERAL.—The MITAB shall consist of not  
31 more than 17 members that include—

32 (A) experts from the fields of medical information,  
33 information technology, medical continuous quality im-  
34 provement, medical records security and privacy, indi-  
35 vidual and institutional health care clinical providers,  
36 health researchers, and health care purchasers;

(B) one or more staff experts from each of the following: the Centers for Medicare & Medicaid Services, the Agency for Healthcare Research and Quality, and the Institute of Medicine of the National Academy of Sciences;

(C) representatives of private organizations with expertise in medical informatics;

(D) a representative of a teaching hospital; and

(E) one or more representatives of the health care information technology industry.

(2) TERMS OF APPOINTMENT.—The term of any appointment under paragraph (1) to the MITAB shall be for the life of the MITAB.

(3) MEETINGS.—The MITAB shall meet at the call of its chairman or a majority of its members.

(4) VACANCIES.—A vacancy on the MITAB shall be filled in the same manner in which the original appointment was made not later than 30 days after the MITAB is given notice of the vacancy and shall not affect the power of the remaining members to execute the duties of the MITAB.

(5) COMPENSATION.—Members of the MITAB shall receive no additional pay, allowances, or benefits by reason of their service on the MITAB.

(6) EXPENSES.—Each member of the MITAB shall receive travel expenses and per diem in lieu of subsistence in accordance with sections 5702 and 5703 of title 5, United States Code.

(c) DUTIES.—

(1) IN GENERAL.—The MITAB shall on an ongoing basis advise, and make recommendations to, the Secretary regarding medical information technology, including the following:

(A) The best current practices in medical information technology.

(B) Methods of implementing—

(i) health care information technology interoperability standardization; and

(ii) records security.

(C) A recommendation for a common lexicon for computer technology.

(D) Methods to promote information exchange among health care providers so that long-term compatibility among information systems is maximized, in order to one or more of the following:

(i) To maximize positive outcomes in clinical care—

(I) by providing decision support for diagnosis and care; and

(II) by assisting in the emergency treatment of a patient presenting at a facility where there is no medical record for the patient.

(ii) To contribute to (and be consistent with) the development of the patient assessment instrument provided for under section 545 of the Medicare, Medicaid, and SCHIP Benefits Improvement and Protection Act of 2000, and to assist in minimizing the need for new and different records as patients move from provider to provider.

(iii) To reduce or eliminate the need for redundant records, paperwork, and the repetitive taking of patient histories and administering of tests.

(iv) To minimize medical errors, such as administration of contraindicated drugs.

(v) To provide a compatible information technology architecture that facilitates future quality and cost-saving needs and that avoids the financing and development of information technology systems that are not readily compatible.

(2) REPORTS.—

(A) INITIAL REPORT.—No later than 18 months after the date of the enactment of this Act, the MITAB shall submit to Congress and the Secretary an initial

1 report concerning the matters described in paragraph  
2 (1).

3 (B) SUBSEQUENT REPORTS.—During each of the  
4 2 years after the year in which the report is submitted  
5 under subparagraph (A), the MITAB shall submit to  
6 Congress and the Secretary an annual report relating  
7 to additional recommendations, best practices, results  
8 of information technology improvements, analyses of  
9 private sector efforts to implement the interoperability  
10 standards established in section 1184 of the Social Se-  
11 curity Act, and such other matters as may help ensure  
12 the most rapid dissemination of best practices in health  
13 care information technology.

14 (d) STAFF AND SUPPORT SERVICES.—

15 (1) EXECUTIVE DIRECTOR.—

16 (A) APPOINTMENT.—The Chairman shall appoint  
17 an executive director of the MITAB.

18 (B) COMPENSATION.—The executive director shall  
19 be paid the rate of basic pay for level V of the Execu-  
20 tive Schedule.

21 (2) STAFF.—With the approval of the MITAB, the ex-  
22 ecutive director may appoint such personnel as the execu-  
23 tive director considers appropriate.

24 (3) APPLICABILITY OF CIVIL SERVICE LAWS.—The  
25 staff of the MITAB shall be appointed without regard to  
26 the provisions of title 5, United States Code, governing ap-  
27 pointments in the competitive service, and shall be paid  
28 without regard to the provisions of chapter 51 and sub-  
29 chapter III of chapter 53 of such title (relating to classi-  
30 fication and General Schedule pay rates).

31 (4) EXPERTS AND CONSULTANTS.—With the approval  
32 of the MITAB, the executive director may procure tem-  
33 porary and intermittent services under section 3109(b) of  
34 title 5, United States Code.

35 (e) POWERS.—

36 (1) HEARINGS AND OTHER ACTIVITIES.—For the pur-  
37 pose of carrying out its duties, the MITAB may hold such

1 hearings and undertake such other activities as the MITAB  
2 determines to be necessary to carry out its duties.

3 (2) DETAIL OF FEDERAL EMPLOYEES.—Upon the re-  
4 quest of the MITAB, the head of any Federal agency is au-  
5 thorized to detail, without reimbursement, any of the per-  
6 sonnel of such agency to the MITAB to assist the MITAB  
7 in carrying out its duties. Any such detail shall not inter-  
8 rupt or otherwise affect the civil service status or privileges  
9 of the Federal employee.

10 (3) TECHNICAL ASSISTANCE.—Upon the request of the  
11 MITAB, the head of a Federal agency shall provide such  
12 technical assistance to the MITAB as the MITAB deter-  
13 mines to be necessary to carry out its duties.

14 (4) OBTAINING INFORMATION.—The MITAB may se-  
15 cure directly from any Federal agency information nec-  
16 essary to enable it to carry out its duties, if the information  
17 may be disclosed under section 552 of title 5, United States  
18 Code. Upon request of the Chairman of the MITAB, the  
19 head of such agency shall furnish such information to the  
20 MITAB.

21 (f) TERMINATION.—The MITAB shall terminate 30 days  
22 after the date of submission of its final report under subsection  
23 (c)(2)(B).

24 (g) AUTHORIZATION OF APPROPRIATIONS.—There are au-  
25 thorized to be appropriated to the Secretary of Health and  
26 Human Services such sums as are necessary to carry out this  
27 section.
